Dr W. C. Robinson, Editor,

1217 Market St. Phila. Pa.

My dear Dr Robinson.

At the recent meeting of the Synod of New Jersey, some remarkable Dr Robinson of the Bd of Christian Education, in his address before the Synod, gave a number of Extracts from the "Narrative" in the minutes of the General Assembly for the year 1857.

Of course that narrative had much to say of the conditions produced by the "panic" of 1857 the quotations used by Dr Robinson were so startling, in that the language descriptive of those days as to things both at home and abroad so perfectly fit our times, That it has seemed to me and to many others to whom I have spoken

that it would be of great benefit to the Church at large if "The Presbyterian" could and would publish in its columns something of this history of 1857-1858 as contained in that narrative to the G.A.

God led the Church, its nation and the world through and out of those days. He will do it again if the people will but turn to Him.

I trust you will see your way to grant this petition.

Sincerely
(Rev) James H. Owens

Dear Dr. Robinson,

I am honored. Your letter of gratitude pleases me, but I am conscious of my many limitations.

You are to be commended for not " using the club." You have at different times set forth your views, which seem perfectly sound and should meet the approval of conservative modernists. I am not a theologian, although have quietly read theology to a limited extent, but it has been my privilege for more than thirty years to meet men in outstanding positions. As early as 1898 I was a guest in the home of Dr. Howard A. Kelly of Baltimore, and many delightful hours during the years have been spent with Dr. Kelly and his large family. We frequently exchange greetings. My dear friend is a MODERNIST-He has a better grip on the Return of the Lord than I have, or seem to grasp. It was at Dr. Kelly's I first met President J. Ross Stevenson, then at Brown Memorial Church. As early as 1896 I knew Dr. Charles R. Erdman, and attended classes conducted by his father. The story of my own life has never been made known. Some day, when I will have become sufficiently placed so as to give my testimony prestige, I hope to be invited to speak at a Sunday School gathering and tell why I have been " a mystery " even to Dr. Alexander and others I dearly love and respect. My acquaintances have been cumulative. I knew quite intimately both factions in the terrible Princeton affair.

The partisan institution now located in your city may have its place but to me it belongs to the Moody Istitute Group, and should make overtures to that institution for merging.

I believe that my own belief to be conservative. There is no desire to change, only to grow daily in the Grace and knowledge of Christ Jesus and to witness for him. I can not do so and harber " Righteous Indignation" so labeled.

Sincerely,
C. Ellsworth Parker

Dear Mr. Parker:

Your letter received this morning was a message of good cheer which will stimulate me for sometime to come. I know who you are and appreciate your words. Perhaps I appreciate them the more because I have been criticized as being too weak in my attitude. There have been many who have wanted me to "swing the club" with a good deal of force. It is not my temperament nor do I think it Christian to do that, especially against those who may not differ widely from us. I thank you for your letter. I do not know how THE [illegible] will come out of this depression as some of our largest backers have found their income greatly curtailed.

Yours very sincerely,

Dear Mr. Paterson:

I was glad to get your letter of September 2nd. Because of my absence the answer is thus long delayed. Just at this moment, I have no vacant church to suggest to you. I would be very happy to do anything within my power.

Yours very sincerely,

Winchester. Ohio.

Dear Doctor Robinson:-

Over five (5) years ago the writer came down here to hold a "Bible Conference"; little thinking that he would be asked to continue as Pastor after the meetings were over.

Being weary of wandering from home the family came to me here, where we have enjoyed the people very much.

We are both from Scotland, however our two girls 14 yrs and 19 yrs of age were born in this County.

I would like to get into a church where they want the old gospel all the time.

I see by my good "Presbyterian" you have calls for sound men, and as my orthodoxy has never been questioned I ought to be on the list.

We welcome visitors to our home.

Kindly consider my name for your list. The enclosed folders will give you more in detail.

Thanking you in advance

Most Cordially Yours

W. B. Paterson

The Editor,
The Presbyterian,

Dear Dr Robinson:

President Stevenson has just asked me to have the enclosed short notice used in the religious papers of the Presbyterian Church for the issue of this coming week, that is appearing around September 17.

There has already been an announcement of the opening plans sent out, but Dr Stevenson is very anxious to let alumni and friends know that Dr Kuiper has recovered from his illness, and will be able to give the address at the opening of the Seminary on September 23.

I will appreciate anything you can do to have this short notice used, and I am sure that Dr Stevenson will also be appreciative of your kindness.

Dear Miss Phillips:

I am sure that your article was in the hands of Miss Alexander who, you know, has passed from us. We found a great many manuscripts tucked away in various places. Miss Lockwood has been looking them over and I have not seen them myself. If we come across yours we will look it over and see what shall be done.

Yours very truly,

Dear Sir:

I would appreciate it if you would give me some informa -tion in regard to a story called:"When Lita Went To Sunday School" which I mailed to your publication Aug. 14, 1930, which is now over a year ago.

I queried once before asking if it was in the files, but receiv -ed no answer. It was last October when I wrote asking about it.

I do not object to your keeping it if you are intending to pub -lish it, but I would like to know if you have it.

Very truly yours, Delphia Phillips

Dear Mr Robinson :-

I also noted with regret Mrs Alexander's passing - the more so because I admire her weekly children's story a valuable feature of Your publication.

Because I have almost daily told my young children at school a Bible story (I read in the Ledger now and do it still) I have taken the liberty of submitting a manuscript on the lesson for August 30th. If this story is satisfactory - and you want others - I will have the following next typewritten - If the

manuscript is not satisfactory - I hope you can find someone who can do better -

Yours

Dear Brother:

I have written the enclosed article in story form that it might be the more readable, especially to the laity. If not acceptable please return in stamped addressed envelope.

I wish to say that I greatly prize the weekly visits of The Presbyterian, and think it one of the very best church papers in the world.
